Yesterday, the EXPLORE and PLAN test results were published to districts. The Quality Core ID numbers used by the ACT Company were also pushed down.

We are working with SchoolNet to display this year's PLAN and EXPLORE in CIITS. There is currently no way to transfer state published scores in Infinite Campus. However, once the scores are in CIITS, anyone with access to the scores will see their students' scores regardless of where they took the test.

EXPLORE and PLAN scores are also being provided to Career Cruising for display in students' ILP.
